

Czech Liaison Office for Research, Development and Innovation in association with Harper Adams University (UK) would like to invite you to a

CONSORTIUM BUILDING EVENT & THEMATIC H2020 WORKSHOP

Horizon 2020 - *Societal Challenge 2* (Food Security, Sustainable Agriculture and Forestry, Marine, Maritime and Inland Water Research and the Bioeconomy)

12:00 – 16:30, 5 October 2017

KoWi meeting room, Rue du Trône 98 (8th floor), 1050 Brussels

Preliminary themes to be discussed during the workshop:

- *Biodiversity in action: across farmland and the value chain*
- *Microbiome applications for sustainable food systems*
- *New and emerging risks in plant health*
- *Improving animal welfare*
- *Anti-microbials and animal production*
- *Towards healthier and sustainable food*
- *Innovations in plant variety testing*
- *Closing nutrient cycles*

The objective of the workshop is to present the above mentioned preliminary themes and to facilitate the building of project consortia.

Agenda:

Part I – general presentations of the preliminary themes and project ideas/activities and expertise relevant for the selected areas

Part II – parallel workshops and consortium building discussions

The programme will start with sandwich lunch at 12:00.

Please proceed with your registration including choice of maximum FOUR THEMES here:

http://geform.tc.cz/food_brussels_czelo2017/

After the registration you will be contacted in the due time by the organizers with further information about the selected themes (topics). The final selection of themes will depend on the level of demand for each theme.
